

# Nonprofit Credential

## Empowering Nonprofits for Success

Step into the UNA Nonprofit Credential—a nine-course program ready to supercharge your organization's capabilities and fortify its resilience against challenges. Immersive training and personalized coaching, empowers you with the skills you need to build your organization's future.

### Interactive Training

## Sparking Skill Mastery

Two days of online interactive training focused on your need for skills and knowledge—distilled to the core concepts to maximize your time.

### Expert Consultation

## Empowering Your Nonprofit's Potential

A consultation with our Subject Matter Expert to guide you in applying the course material to your nonprofit. Address personalized issues and maximize your organization's impact.

### Ongoing Coaching

## Cultivating Lasting Excellence

Ongoing guidance to help you learn and apply best practices at your organization. These tailored resources foster continuous improvement and innovation within your team.

### Earn Your Badge

## Celebrating Success

This achievement signifies successful implementation of Nonprofit Credential requirements. The badge builds credit and showcases your organization's success to the community and stakeholders.

## Ready to Learn More?

Our expert-led training, resources, and consultations give organizations essential skills and practices across nine critical areas.
