Public Charities by Category in Utah

National Nonprofit Facts

- There are over 1.09 million public charities in the U.S. and 1.4 million tax exempt organizations.
- **85.5%** of public charities reported **less than \$500,000** in revenue in 2011. Most nonprofits in the U.S. are small organizations.
- Government grants to nonprofits for goods and services account for **23.9%** of nonprofit revenues
- Nonprofits paid more than **\$587.6 billion** in wages in 2010, **9.2%** of all wages and salaries in the U.S.

Why does it matter?

- More individuals work for nonprofit organizations in Utah than are employed in the construction, publishing and utilities industries combined. Most Utahns employed by nonprofits work in the healthcare, human service or education industries.
- **43.8%** of Utah residents volunteer, ranking Utah **1st** among the 50 states and Washington, DC.
- Nonprofit employees, volunteers and clients vote. They support nonprofits who are working on causes they care about.
- Nonprofits are partnering with the public and private sectors to fill service gaps and solve our communities' most intractable problems.
