Smith's Food & Drug Inspiring Donations

Smith’s is supporting local nonprofit organizations!

Smith’s is offering an easy way for nonprofit organizations to raise money. Smith’s Inspiring Donations is open to the communities that Smith’s serves throughout Utah, Arizona, New Mexico, Nevada, Wyoming, Idaho and Montana.

**Here’s how it works:** Register your organization in Smith’s Inspiring Donation Program and receive a unique Non-Profit Organization number. You share that number with your Participants, who then link their rewards cards to your organization at smithsfoodanddrug.com/inspire. Purchases made using the linked rewards Cards will support your nonprofit! There is no cost to enroll for Smith’s Customers, and enrollment does not affect your participants’ fuel points or coupon discounts.

Smith’s Inspiring Donations will donate 0.5% of every eligible purchase made by supporters to the Organization that the customer has linked to their rewards card. Enrollment for supporters will continue to take place on-line. Participants must re-enroll every year.
